Primary School

13th February 2026

Dear Parents and Carers,

As we come to the end of a busy and productive half term, I would like to take this opportunity to thank you all for your continued support. It was wonderful to see so many of you at Parents' Evening on Wednesday, your partnership with us makes an enormous difference to the progress and wellbeing of our pupils.

This half term has been full of exciting learning opportunities across the school. Our Key Stage 2 pupils have really enjoyed their judo sessions, building confidence, coordination and teamwork. Key Stage 1 pupils have been shining in their dance workshops, expressing themselves creatively and developing physical skills. Owl Class have continued to make excellent progress in their swimming lessons, showing increasing independence in the water.

We have also had several brilliant trips, including visits to The Sensory Hive and The Fun Factor, both of which provided rich sensory and social experiences for our children. Another highlight was our trip to the Chinese supermarket, which linked beautifully to our cultural learning and gave pupils a hands-on, real-world experience.

We are very proud to announce that the school has achieved the National Autistic Society Autism Accreditation. This is a significant milestone that recognises the high-quality practice, commitment, and care shown by our whole school community. More information about this achievement will be shared in our Spring Newsletter.

You may have also noticed the new graphics that have been installed across the school, both indoors and outdoors. These vibrant additions help create a more engaging and supportive learning environment for our pupils and celebrate the unique character of our school.

I would also like to take a moment to underline the importance of good attendance. Consistent attendance is vital in helping our pupils feel secure, make steady progress, and maintain strong routines. Thank you for everything you do to ensure your child attends school regularly—we truly appreciate your partnership.

School will reopen on Monday 23rd February at 8.45am, and we look forward to welcoming the children back refreshed and ready for another exciting half term of learning.

Wishing you all a restful and enjoyable break.

Warm regards,

Liz Wynne
